Utah Code 53A-2-207, "Open Enrollment Options" enables students to attend a school in a school or school district in which the student does not reside. The guidelines for students from other Utah school districts to attend Cache School District have been established and comply with the standards of the "Open Enrollment Options" as outlined in Utah Code 53A-2-207. To be eligible to enroll, all students must comply with the processes and time frame deadlines. Please contact the District for information regarding deadlines.
